

Future Horizons confirms IEF2008 Dubai speakers

May conference will include speakers from NEC Electronics, Nokia Research, Robert Bosch, IMEC, Telecom Italia and Philips Consumer Lifestyle

London, UK, 14th March 2008: Future Horizons has confirmed the full line-up of speakers at the 17th International Electronics Forum, due to take place in Dubai on May 7-9th. Businesses from all sectors of the electronics industry have already registered as delegates for the event, which, under the auspices of the Dubai Silicon Oasis Authority, will act as a significant network and meeting event for the world's semiconductor community. Forum registrations can still be made via the Future Horizons web site, www.futurehorizons.com

CEO of Future Horizons Malcolm Penn said, "Every year IEF creates a buzz and every year different topics come to light as a result of the discussions and presentations we host. This year we've a truly international venue which has already attracted a broader range of delegates – it will be a great session."

The line up includes:

Mark Pinto - **Applied Materials**

Susumu Kohyama - **Covalent Materials**

Ray Bingham - **General Atlantic**

Luc Van Den Hove - **IMEC**

Jani Janakiraman - **India Semiconductor Association**

Junshi Yamaguchi - **NEC Electronics**

Theo Claasen - **NXP Semiconductors**

Petri Liuha - **Nokia Research Centre**

Shankar Pennarthur - **Oxford Semiconductor**

Kees van der Klauw - **Philips Consumer Lifestyle**

Stefan Kampmann - **Robert Bosch**

Thomas Wiemers - **Siemens Enterprise Communications GmbH & Co**

Loic Lietar - **STMicroelectronics**

VG Gujrathi - **TATA Motors Ltd**

Luigi Licciardi - **Telecom Italia**
