"International Electronics Forum"

Since its founding in 1989, Future Horizons has been a leading global authority in semiconductor industry analysis. Its flagship event, the International Electronics Forum (IEF), launched in 1991, attracts senior industry executives from around the world, including Europe, the USA, Japan, Korea, Taiwan, India, SE Asia, and the Middle and Far East.

This year's event, IEF2025, will be held at the Esplanade Hotel, Zagreb, Croatia, from Sunday, July 13 to Tuesday, July 15, 2025. Designed around a mix of formal presentations and informal networking sessions, the event fosters a relaxed and engaging atmosphere. It serves as a premier networking platform for C-suite executives and senior management, drawing key decision-makers from top global IT and AI companies.

Many attendees leverage the Forum to explore business and collaboration opportunities. As a result, the Forum not only serves as a premier industry event but also as a valuable platform for PR, inward investment, and marketing for host countries and venues.

Forum Sponsorship

Sponsorship provides a unique branding opportunity, to enhance corporate image and industry exposure at the highest international level. It cuts throughout the marketplace and communicates your message directly to the decision makers in the industry. It also paves the way to start selling a new product or service as well as providing you with the opportunity to enhance your reputation in the global industry.

There are many ways for companies to sponsor the Forum, including:

- Forum In General – Diamond (One Only), Gold & Silver Packages
- Specific Function
Welcome Reception, Welcome Dinner, Day One Lunch, Fiesta Reception, Fiesta Dinner, Grand Finale Lunch, Coffee Breaks
- Media Delegation
- Pre-Forum Cultural Tour
- Spouse Programme
